**Period of Adjustment.**

Why do they say that the first year of married life is the most difficult? Because that's the time she has to get used to the fact that he isn't making all the money in the world, and he has to adjust himself to the discovery that his little angel has a temper and uses it at times.

**Psychological Problem.**

Just as a problem in practical psychology, how many can tell the initials of Mr. Bailey, one-time partner in the Barnum & Bailey circus. And who is that Mr. Barnum? Well, he was Phineas T. Barnum of Springfield Republican.

**When Lead Poisoning Enues.**

Electrolytic baths are not of service in cases of lead poisoning, according to the views of a recent investigator, as the lead accumulated in the tissues is a part of organic compounds not easily ionized.

## WHITE SOX TAKE FIRST TWO GAMES

Chicago Americans, on Home Grounds, Play Exceptional Ball, Taking Saturday's Game by the Score of 2 to 1—On Sunday the Americans Outclass Giants in Every Department—Happy Felch Proves to be Hero of Series so Far—Giants Have Used Five of Their Seven Pitchers—Faber and Cicotte Pitch Gilt Edge Ball.

Chicago, Oct. 7.—The Chicago American League baseball machine rolled half way to victory in the world's series clash with the New York National League team today when the White Sox defeated the Giants 2 to 1 in the second game of the little struggle. The teams are speeding eastward tonight for the Polo Grounds, where, on Tuesday, the series will be resumed, and if the local team continues to play the game it has displayed here, supporters of the Comiskey clan are convinced that the Sox should at least break even with the Giants in the next two contests at New York.

The victory of the White Sox today was more impressive than the win yesterday and while the teams left the field, the Chicago club was surcharged with confidence while the New York combination was badly shaken, both physically and in morale.

The National League champions were obliged to use no fewer than four pitchers this afternoon and at the close of the second day of play the White Sox had sampled, with satisfaction, some of the best pitching service of five of the seven players who form the twirling corps of the Giants. Only Benton and Deane remain and Bennett did some of the best pitching of the series to select a pitcher who can hold the Chicago batters in check even on the home ground.

Both at bat and in the field the White Sox maintained the impressive advantage which they showed in the opening game. The offensive and defensive methods and play of the American league standard-bearers was far superior to that shown by the New York club and in no department of the national sport did the Giants appear to have the edge on their western rivals. The White Sox scored nine runs to three for the Giants; 21 hits to 14 and these hits have netted the local club 26 bases to 17 for the Giants.

while in stolen bases the Sox lead four to one. In individual batting honors alone do the New Yorkers appear to be coming. Holke and McCarty have reached the 500 mark in batting, while only two White Sox batters have reached or surpassed this standard. John Collins leads all the batters with a percentage of .500 and Joe Jackson is second, points behind his pacesetter team mate.

Chicago Adherents Confident. There are few features of the double victory which cannot be expressed in figures, and these have been the outstanding elements which have encouraged the adherents of the Chicago team to believe that ultimate success is a matter of time. Their claim regarding the supremacy of the White Sox was but a matter of a few days.

In field strategy, managerial shrewdness and individual and collective dash, the men of Rowland have surpassed the New York players led by the manager. The Sox have shown an able recovery on the part of the eastern team when it reaches its home field to check the Chicago clan in its important run for the world's baseball championship.
